

OPERATIONAL POLICIES
STRICKLAND EXTENDED CARE
(512) 447-1777

Strickland Extended Care is open from 3:00pm to 6:00pm every day that Strickland Christian School is open. All financial arrangements must be made through the main office and the school accounts manager.

Your child may be enrolled any time during the school year by filling out an enrollment form, paying the registration fee, and providing the school with immunization records (complying with state mandated immunizations). If there is a change in enrollment policies you will be informed at the beginning of the school year in writing. Children may be suspended or expelled from the Extended Care program if, in the opinion of the staff in conjunction with the director conduct is deemed detrimental to the safety and well being of students and staff.

If you need to contact the Extended Care staff for any reason from 3:00pm to 6:00pm., the Extended Care number is (512) 447-1777. We will not get messages from the main office number.

Medical Information

If your child becomes ill while in care we will contact the parent or guardian by phone to apprise him of the child's health situation. The child will be isolated from other children if we think his or her condition is contagious. Medicine will be administered per your request or written permission if we cannot contact you. If we administer medication the parent will be asked to sign a form stating when the medicine was administered, how much was given and the type of medicine. If an emergency arises and parents or doctors cannot be contacted, we will call EMS. Please be sure all of your phone numbers at work and cell phone numbers remain current so that we can contact you. Immunizations should be kept up to date unless a waiver is on file. Our staff has received the immunizations required by the state of Texas for adults.

Procedures for Release

When you enroll your child you complete a pick-up authorization form. The only people to whom we will release your child must be on that list. If we are not familiar with the person picking up your child, he or she may be asked to show identification. If you have a change to make on the list please be sure to notify the Extended Care. In case of an emergency you may call with the name of a person who is temporarily picking up your child. That person may be asked to show identification. If someone comes who is not on your list for child pick-up, and we cannot reach you, we will not release your child to him. When you come to pick up your child, we will ask you to sign that child out by using your signature or initials and the time.

Discipline and Guidance

Discipline will be individualized and consistent for each child, appropriate to the child's level of understanding and directed toward teaching the child acceptable behavior and self-control.

The caregiver will use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include:

1. Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
2. Reminding a child of behavior expectations daily by using clear, positive statements;
3. Redirecting behavior using positive statements;
4. Using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to not more than one minute per year of the child's age.

There will be no harsh, cruel, or unusual treatment of any child.

The following types of discipline and guidance are prohibited:

1. Corporal punishment or threats of corporal punishment;
2. Punishment associated with food, naps, or toilet training;
3. Pinching, shaking, or biting a child;
4. Hitting a child with a hand or an instrument;
5. Putting anything in or on a child's mouth;
6. Humiliating, ridiculing, rejecting, or yelling at a child;
7. Subjecting a child to harsh, abusive, or profane language;
8. Placing a child in a locked or dark room, bathroom, or closet with the door closed;
9. Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.
